PROCEDURES FOR LOST AND FOUND PETS

1. Distribute flyers all over the area that the pet was lost or found.
   Photos on flyers are helpful if possible
   Distribute flyers to: Schools
   Shopping Centers
   Pet Stores
   Animal Clinics, Vets, Emergency Animal Clinics
   Inform mail carriers, meter readers, delivery drivers and school children!

2. Check Arizona Humane Society & BOTH Maricopa County Animal Care & Control locations
   EVERY DAY!
   PHYSICALLY GO TO THE LOCATIONS BELOW - CALLING IS NOT ENOUGH!
   - Arizona Humane Society 9226 N 13th Ave., Phoenix
   - East Side Animal Care & Control 2360 W 8th St., Mesa
   - West Side Animal Care & Control 2320 S R.C. Esterbrooks Blvd., Phx
   - We urge anyone who has lost a pet to visit the Second Chance Animal Hospital

   Staff will also direct people to visit other areas of the shelters where the lost pet could be; and it is recommended that people visit at least every 72 hours.

3. Keep going to the locations **EVERY DAY!**
   - Bring proof of ownership
     (photos/license/rabies/spay or neuter certificate, adoption records)

4. Report your animal Lost or Found to:
   - Pets9Il.com or call 888.PETS91I (738.7911)
   - www.thepetrescue.com/States/Az/gorescue.html
   - Missing Mutts 480.898.8914
   - http://groups.yahoo.com/group/K9AmberAlert/
   - AZ Republic (to place a free ad) 602.444.2424
   - Scottsdale Tribune 480.970.2330
   - The Shopper 602.444.4444
   - AZ Central azcentral.com
   - AZ Family azfamily.com
   - PETFINDER.com
   - www.fidofinder.com
   - www.Petbond.com (Online creation of Lost, Found and Adopt Me flyers)
   - Flealess.org
   - www.prescottarealostpets.com (can use "guest" for log on name/password)

5. Place an ad in the lost/found section of your local newspapers.
   - Most papers offer these ads for lost and found free of charge
   - Weekend ads work best
   - If a **FOUND** animal is not claimed, work with a rescue group to help place it into a loving home
   - **NEVER** offer "free to a good home"

6. Once you find your lost pet, Microchip or Tattoo them ASAP to prevent this from happening again!
   And be sure to license your pet!
